**Re: In the Matter of Cheniere Marketing, Inc.  
FE Docket No. 08-77-LNG**

Dear Mr. Corbin:

On August 15, 2008, Cheniere Marketing, Inc. ("CMI"), filed an Application for Blanket Authorization under Section 3 of the Natural Gas Act to Export Imported Liquefied Natural Gas on a short-term or spot market basis of up to 64 Bcf (which is the equivalent of up to approximately 64 TBtus) for a two year period, commencing the date of authorization. Through this letter CMI supplements and clarifies its August 15 application to provide that it is seeking authorization to export previously imported LNG volumes from the United States, and specifically from the Sabine Pass LNG terminal located in Cameron Parish, Louisiana.

Should you have any questions about the foregoing, please feel free to contact the undersigned at (212) 318-3009.

Respectfully submitted,

  
Lisa M. Tonery  
Attorney for  
Cheniere Marketing, Inc.
